Winter riding tips: get geared up properly!

Winter has never been as much fun! Gear up your motorbike and take it for an unforgettable winter adventure. For all who are with us on this idea and for treading some unbeaten snow paths **Mitas Winter Friction tyres** are your go-to tyre, most importantly because the **studs can be added to the tyre** which allow you to ride in such conditions.

Mitas Winter Friction tires are manufactured with a standard **motocross carcass** and **special compound** which remains flexible and elastic in the freezing cold.

Choosing the right tyre for Dakar Rally 2021

Some of us are getting ready for the winter and festive season, while others are getting ready for the **toughest race of the year – Dakar Rally 2021**. The countdown is on and we can't wait for the race of the year to begin.

Choosing the right tire for the Dakar Rally is crucial. Find out which tyres our rider Simon Marčič chose for this upcoming race.
