

MITAS MOTO NEWSLETTER

#3 / 2025

Welcome to the Mitas Moto April Newsletter! This month has been packed with thrilling events across the globe. From the rugged terrains of Portugal to the scenic trails of Tuscany, and the high-energy tracks in Brazil, Mitas Moto has been at the forefront. Let's dive into the highlights of each event!

ENDURO GP ROUND 1: GP OF PORTUGAL (Fafe, Portugal)

The 2025 EnduroGP season kicked off in Fafe, Portugal. Mitas is proud to be the main partner of the 2025 EnduroGP World Championship, demonstrating our commitment to supporting the sport and its athletes. Mitas riders showcased their skills: Kyron Bacon from MGR Kawasaki team dominated the Junior Overall and Junior 2 categories, taking 1st place in both races. In the women's category, Rachel Gutish secured 2nd place, Rosie Rowett finished 4th (both from RIEJU), and Vilde Marie Holt (KTM) took 6th place.

ENDURO GP ROUND 1: GP OF PORTUGAL

101% IN MITAS VERITAS (Tuscany, Italy)

In the picturesque landscapes of Tuscany, the 101% IN MITAS VERITAS event offered a unique off-road experience. The event, supported by Mitas, provided riders with the opportunity to test their limits on a 160 km challenging route.

Mitas

In **Brazil**, three racing series took place in April.

The **Brazilian Motocross Championship**, with Mitas as the official partner, saw two thrilling rounds this month. The opening round was in Ponta Grossa and the second round was in Canelinha.

The **BITES (Big Trail Enduro Series)** took place in Balneário Camboriú. There, our rider, Nilson Tecilla, tackled the tough trails with ease.

In **HARD ENDURO BRAZILIAN CHAMPIONSHIP**, held in Barão de Cocais, Mitas had a strong presence with UAI Racing team and two riders, Dudu Furtado and Olavo Sá. They conquered some of the most demanding courses, with steep climbs and technical sections.
